if 2035 Hongkeng, 18th September, 1880. Tu Now ready, at the " Daily Press " Office, ANGLO CHINESE DICTIONARY, QUARTO,

COURT AND PUNTI DIALECTS. FIGURE Wes commenced in November. 1864, the computation of the author then being that it could be comprised in one thousand four hundred pages, and would occupy two years. Many unlooked for obstructions, chiefly of a typographical nature, materially rotarded the progress of the work in the first instance, and these being overcome, the author discovered that he had underestimated the extent and the importance of the vast tack be had undertaken, and that it would escapy fully double the time and space . The publication of a work of such magoltude, Houry B. Lemann, Ray. Hon. Thes. Sutherland, I and presenting so many and such varied obstacles. seidom falls to the limited resources of and sidele individual, as occurs in this case. The first part of the anthor and partly to afford the Foreign that assistance to the publisher, which under the

of the work is now issued, partly at the request Community of Uhine an opportunity of extending The prior of the book complete, will be \$30, and it will be published in four parts at \$7.50 each. But this objection presents itself to the sale of the paris reparately, should the purchaser of one or mere parts not take the others, a number of incomplete, and consequently valueless, copies will be left on the publisher's heads. To remedy this objection, in consideration of the circum- est the Company has udopted the principle of

Found nothing in the way and distinguished amateurs, and Mr. Liwis, a prodid not are a single shot, not a soldier was visible. fuszional geutleman, just arrived from Shanghai. A fatal accident took place vesterday on the houses Limited the mone shortly afterwards, all hill below the house of Messra. Angustine Heard went right, the marines and sailors took posses- & Co Some men were at work exertating the sion of the heights everlooking the low land, at hill side near the parade ground, when suidenly the end of which is situated the city of Khan coa, a s'ip of earth occurred which burisd some of the and the artillery was placed on the highest elevated workmen, and resulted in the death of a man

American Politics.

The news from the United States is by no he had of value, leaving behind in their houses, means reassuring to those who have desired to the furniture, clothes and a quantity of provisi- see the acertities of contending factions southed by the large of a little time. Instead of this, the political fermentation throughout the States of came on at this time. As there was an enemy to | North and South is such as to excite serious apface, the Admiral gave orders to the men to fall probensions of another civil wer. It is to be at, and company after company took possession hoped no such calemity will occur, but it is impossible to close and's eyes to the fact that both The rain having stopped, several pickets went the Radicals and the Democrats manifest a danout in search of army, stores &c. and discovered gerous and intolerant spirit. President Johnson, only some firty maders and disnounced cannon; whose policy was generally approved in England, two rooms full of glogals and bows, and a powder has been making a progress through the States. mainzing clean to a pagedn. We cared the night with a view to influencing the pending Congress-yery comfortably. We had an excellent support signal sleations; but his addresses have been to consisting of lowls and two pigs, left behind by denunciatory of his political opponents, and so the natives; while regatables were plentiful in all undignified and unworthy of his high magisterial pusition, that the net result has been to somowhat Ocrobor 15th -A nuise somewhat like an ex- modily British opinion as to his character and to plosion was heard; which proved to result from swell the Rudical ranks by the necession of thonsome powder basing got ignited in being carried | sands who have become disgusted with his condown to the river, from which so ident three men duct. Johnson would seem to be a well-meaning were slightly wounded. At Sam one party re- man, and the extravegence of his speeches is atfords: while the commanding times made his way is mure than likely. It is a notable circumstance chief town of the Life and is looked upon by the where Mr. Johnson puts up in the course of his tain D'Ogery plustily went into the City and the outtain by the pantomime audience of a coundislodged some of the firing party. He was fired try threatre, so the President must respond to the. upon by the Corsums from the remports at a progress of the amplifude, now to results their distance of over 1500 yards; but not one shot applique and applique, again to be sainted by told, as they were all fired too high. The fire a storm of cat-calls and bisses. And sometimes was returned by the French Riflemen, and the he is exposed to something worse than hostile gargieon bolted from the walls and sougentrated breath. We team by team acquire that an aithemselves in a sort of tunnel over one of the Ci- tempt has been made at Indiana to assessinate ty gates. From this place they were driven back, him while on the balcony of a hotel, and the mark and quite a sufficient garrison for it. He surveyed cant signs, are they not !- Here Gipamorf's

*	and would receive the repentant States into the body of the Union; the Republican hold that they	THE O
. (*)	are not, and would impose other conditions, which the defeated States reject. At the Philadelphia	No.
	Convention last month the representatives of Southern opinions who attended the meeting, and	the North
7	who were wall known to express the real views of	in the rec
į.	the South, declared plainly and without reserve that slavery was abolished and prohibited for ever,	Por fur
	and that there was neither dears for purpose on	
	on American soil. They declared, further, soils	CEVEN
. 4	naste was due to the entranguised stayes. After	SOM
	this, they proceeded with similar frankness to re- pudiate the Confederate Debt, and to anknow-	
	ledge as rapred and inviolate the Debt contracted by the Federals, proplated at the state time their	tf 2224
	deliberate resolution to maintain, unimpaired and unimpeached, and homes the faith of the Bengblio	T IE E
,	he their postormance of all national obligations	BANE OF
1	whatenever, These prothe committees will write the Democrate are content. The Republicans	
3	want more. They do not officer the aboution of	If 221
	the slave, and this emandipation, in inter eyes,	L.MO B
	calls for something beyond that more "protection" of the negro which the Southerners are ready to	in a Doily Pre
	guarantee. It appears from the reports of the Republican Convention, that negro soffrage is like-	if 2189
	ly to be included in the cries of the party; Due, as	TINO
	a position whi h would not only be thought into- lerable in the South, but would be by no means	L HO
	indivariable appropriate aven in the North 188%.	1 .
. 5	Nor is this the extent of their demands, in	IF 2090.
	they would impose so many restrictions and estab- lish so many disabilities that the Southern States	Two I
	could only be represented in pract of by men of Northern apparant, and, indeed, it seems to be the	Appl
,	nim of the Rading! party to appress attogether	if 2021
	the Parliamentary expression of those principles on which the politics of the Sinth have been	TWO L
	haved and which, it is not to be disguised, were developed in civil war. The reader may now	for Office
	appreciate, if he cannot results, the question use:	Mesars J
	oan decide, and in a few weeks they will decide, whether it is safe to re-admit the Southern States	THREE .
	to Congress on the terms which the South has accepted. The most remarkable incident of the	whole, or ments of s
*	structed is the resolute and proporty from this point	For seri
	oy adopted by the President. He, though originality a Republican, and reised to power by a Re-	*
	publican vote as a leader of the Republican party.	O PLO
	great question at issue, and is advocating with; outransdicary seal the principles, of the newly-	Godown a
***	established couse. It teams to be doubted to	Address
	America whether his advaced may not have been carried too far, but it is beyond all iquestion that	IF-1918
	ha is animated by the sinceress convictions and the mest gangine patriotism. He is above all	FOR .
	mere party spirit in this matter. He has not	ngs situate
		toir d'Esq
	or personal ends to serve, and that his sele anxiety is to see the Union restored on the only terms on	principal late Office
9.	which, according to his judgment, the yest ration it premise. Nor does anybody refuse him credit for	Por
	good faith in these professions. The reconstruction	if 697
	States to their rights and privileges is undoubtedly the great object of his policy, and we in this	Thus s
	MANUSTER ARTICLE BY MINERALES WITH HATE ALL	_ rose
λ.	his bones. In fact, if we cannot weight the two	if 1530
	alternative practically before the American people. There is immediate restoration on one	THE P
4	elde, and protracted disorgan sulion on the other. If the Republicans win, the Southern States will be	THE P
	best outside the Union, nobidy dan sell for him	if 892 ]
	long. We know full well, from our own experience what must come of such explusion. The people:	RANI
	of the South, whatever they may be at present, will herome a hostile, disaffected population,	J wate
	and our long history of penal legislation, civil dis-	If 172
	form will he receated in the New World.	Tue H
	his policy that it will avert all this, that	Wallingto
	make all Americans one untion as before. The	and twent prising a
	only question is whether this would be none at ted	fest.

OF BUTTER IN THE CHINA AND EAST INDIA PORTS.

Thus been brought to our notice that co-tain parties are packing BUTTER for the Ohina market, and representing themselves as "sole agents for Horace I. Sill," and that the representations made by one of said parties in China had the effect to obtain for the so called "Sill a brand" a price greater than that obtained for the BUTTER packed by us.

sentations made by one of said parties in Chica brighting is limited.
